

## Draft Challenge Relay 50-50 Pool for the Bob Perks Cancer Assistance Fund

### Instructions:

- (1) Rank the top 5 DCR finishing teams in your predicted finish order by putting a "1" through "5" as appropriate next to the team name. There are 10 DCR teams. Make only 5 choices.
- (2) Submit this form and \$5 (**Cash Only!**) to Marty Mazur no later than race day morning before 1<sup>st</sup> Wave cars take off. Try to get a \$5 bill, since I've got enough to do that morning without running around looking for change!
- (3) You are responsible for making your choices legible/decipherable.

### Scoring:

Marty Mazur will score the submissions based on the results of the Tussey mOU nTaiNBACK. Scoring will be 5 points for correct 1<sup>st</sup> place choice, 4 points for 2<sup>nd</sup>, 3 points for 3<sup>rd</sup>, 2 points for 4<sup>th</sup> and 1 point for 5<sup>th</sup>. Highest score wins. The winner will split the pot 50-50 with the race beneficiary, the Bob Perks Cancer Assistance Fund. In case there is a tie, the winners will equally split half the pot. If no submission scores any points, all money will go to the Bob Perks Fund.
